Shoes

Please do not be tempted to buy ballet shoes 'with growing room'. It is not helpful for the child to have excess leather beyond the length of the toes.

Also, please do not be tempted to buy ballet shoes from a supermarket. These shoes are cheap but do not hug the foot and will not help your child feel 'stretch' through the arch of their foot! I would recommend Adage in Harrogate to fit shoes.

Pink ballet shoes – leather with full sole up to grade 3. Grade 3 and above may wear split soles, leather or canvas. IDS and Adage in Harrogate have a good range.

Nude/tan tap shoes. Buckle over for prep to grade 2 (approx.) and grade 3 and above tan oxford style shoes. Our IDS uniform shop has one option for both styles of tap shoe. Adage in Harrogate have a list of acceptable styles. **Please note: some styles will take up to 4 weeks for shoes to be made in tan.**

Nude pull on jazz shoes. IDS and Adage in Harrogate both stock these.

Black canvas character shoes (for Russian Squad Dance) – Both IDS and Adage have a good range.
